ST ANDREWS, FIFE, SCOTLAND

FOR TOUR OPERATORS AND THE TRAVEL TRADE

We are not here to sell your clients golf. *That part is yours.*

Having a trusted transport partner looking after your clients during their time in Scotland is invaluable. A smiling face, a reassuring voice and a willingness to help make their trip stress free and enjoyable. You hear about it when they get home.

TRANSPORT SOLUTIONS

The part of the trip your clients should *never have to think about.*

Airport and hotel transfers

ARRIVALS AND DEPARTURES

Your clients are met by a professional, friendly driver and taken to their hotel in comfort. Departures run the same way in reverse, with a warm Scottish welcome at one end and a proper goodbye at the other.

Golf transport

HOTEL TO COURSE AND BACK

Dedicated transport timed to the tee sheet you send us. From St Andrews to Gleneagles, from Troon to Dornoch, and to the hidden gems in between.

Tournament transport

GROUPS AND CORPORATE CLIENTS

Punctual, discreet and comfortable transport for golfers, groups and corporate guests in tournament weeks, including The Open at St Andrews in July 2027.

Touring between bases

DAY AND MULTI DAY

When the itinerary moves beyond Fife, a local driver guide takes the group across Scotland, whether that is a single day out or several days on the road.

A GROUP WEEK

Seven days, *seen from the driver's seat.*

An illustrative week for a group of eight based in St Andrews. Your itinerary sets the times. We build the driving around it.

THE FLEET

Black, unhurried and *built for eight.*

This is the vehicle your clients step into at the airport and the one that takes them home. Comfortable, luxury travel with a driver who knows the roads and the people at the other end of them.

Castles, Highland landscapes, seaside villages and hidden gems, as a single day out or a multi day tour with a local driver guide.

Whisky tasting

GUIDED

Guided visits to Scotland's distilleries, with time to savour the whisky because someone else is doing the driving.

Off road driving

ON REQUEST

A few hours behind the wheel on rough ground, for groups who want a change from the fairway.

A new name. *The same hands on the wheel.*

Swilken Travel is the new name for SAS Travel Scotland. We have looked after visitors to Scotland through our sister company since 2008, and in 2026 we brought that experience to the luxury market. The name comes from the Swilken, the burn that crosses the Old Course at St Andrews, and the small stone bridge over it.

> *"SAS Travel Scotland delivers the level of service our clients expect — reliable, polished, and always a pleasure to work with."*
